

$$\mathbf{j}_e(\mathbf{x}, t)$$

E

$$\mathbf{j}(\mathbf{x}, t)$$

The diagram shows a 3D green cube with black outlines. An arrow labeled $\mathbf{j}_e(\mathbf{x}, t)$ points from the top surface towards the center. On the left face, three parallel arrows point from the left towards the center, with the label E positioned to their left. A fourth arrow, labeled $\mathbf{j}(\mathbf{x}, t)$ inside a white box, points from the center towards the right face.
